

REPORT TO FACULTY SENATE

FROM: Student Affairs Policy Committee

DATE: December 7, 2020

ACCOMPLISHMENTS:

- Worked with Provost and UA Website Team to create UA homepage link to provide a clearly visible link to virtual support services for students.
- Data dive into various and recent UA survey data to pin-point and prioritize student needs
- Continued to work with and support Student Basic Needs initiative as spear-headed by Student Regent Rusk.

GOALS:

- More of the same: increase timely and clear communication to students about critical issues and to support need, comb data with the added potential of informing the planned Campus Climate survey early in Spring '21, continue to assist in the development of a Basic Needs Coalition on the UA campus and statewide
