12. REPORT TO FACULTY SENATE

FROM: Linda Breci, APAC http://apac.arizona.edu/

DATE: November 2, 2015

ACCOMPLISHMENTS:

- APAC’s deadline for Professional Development Scholarships was Friday, October 30. This annual, competitive scholarship program has helped Appointed Professionals on campus to maintain or increase their excellence in performance of their duties at the University.

- APAC’s new “Appointed” newsletter is providing a brief overview and links to relevant workshops, funding, and volunteer opportunities at the University.

GOALS:

- Utilize the outcomes of the AP Compensation study to elevate the soundest practices from Appointed and Classified employment domains, both for the fullest realization of our institutional priorities and for the professional wellness of our employees.

- Better define the current needs and status of Appointed Professionals’ career progress at the University of Arizona.

- Continue to work toward previously defined goals that include:
  - Achieve quorum of APAC Bylaws revision.
  - Streamline and expand professional development funding process.
  - Expand networking opportunities.
