REPORT TO FACULTY SENATE

FROM: Tanisha Price-Johnson, APAC [http://apac.arizona.edu/]

DATE: September 10, 2018

ACCOMPLISHMENTS:

- **Professional Development** – Chair Jennifer Lawrence reported that the committee awarded $5,000 in reimbursement grants to 5 individuals. APs can apply for grants to pay for expenses for various activities such as conferences, educational opportunities, certifications, and professional development workshops not covered by departmental funds.

- **Membership** - Chair Melanie Madden discussed goals for increasing membership and identifying what units do not have APAC representatives. The goal is to increase membership from each unit; last year, there was a zero net gain of new members.

GOALS:

**2018 – 2019 APAC Opportunities**

**Professional Development**: establish a funding structure to support the advancement of UA appointed professionals.

**Engagement/Retention**: develop a survey to assess the interests of campus employees on a variety of topics: inclusive excellence, strategic planning input, work/life balance, and membership opportunities.

**UCAP**: assist with the management of employee engagement, attitudes, and the nuances of the new structure.

**Shared Governance**: develop structure to sustain APAC’s influence with campus policies, infrastructure, and climate.
