APAC progressed with plans for the annual planning retreat in July and elections of officers in June. An important focus for 2016-17 will be possible changes to the Appointed Professionals job classification.

GOALS:

- Assist and inform AP across campus of possible changes to employment classification by partnering with Human Resources in discussion forums and other methods.

- Complete necessary steps to receive approval of APAC Bylaws revision.

- Continue to work toward previously defined goals that include:
  - Streamline and expand professional development funding process.
  - Expand networking opportunities.
