Question: What is the breakdown of NTE faculty types among the ~600 who the change in criteria would allow into the General Faculty?¹

- 54% Clinical Professor series
- 14% Research Professor series
- 24% Instructional (non-clinical)
 - 16% Lecturer series
 - 8% Professor of Practice series
 - 8% Professor, NTT series (or other)

¹ These do not include the ~100 NTE faculty who are already members of the General Faculty by virtue of having a multiple year contract.
