& Translational Research**

UA Phoenix Plaza Building  
714 E. Van Buren St., Suite 119  
Phoenix, Arizona 85006

<http://publichealth.arizona.edu>

Date: July 22, 2022

To: UArizona, The Office of Curricular Affairs

From: UArizona Mel & Enid Zuckerman College of Public Health, Division of Public Health Practice & Translational Research

To Whom this may concern:

The Public Health Policy and Management (PHPM) concentration under the Department of Community, Environment and Policy (CEP) at the UArizona, Mel & Enid Zuckerman College of Public Health has merged with the Division of Public Health Practice & Translational Research (PHP&TR). The faculty from PHPM requested the merger given the alignment with the mission and vision of the Division based in Phoenix Biomedical Core (PBC) campus. Faculty also voted to change the name of the Division of Public Health Practice & Translational Research to the Department of Public Health Practice, Policy & Translational Research to reflect the merged concentration of Public Health Policy & Management. The last valid academic term under the old name will be fall semester 2022 and the first term for the new name will be effective spring 2023. Please note the attached modified organizational chart to reflect the merger.

Respectfully submitted,

*Iman Hakim*
