

REPORT TO FACULTY SENATE

FROM: Student Affairs Policy Committee

DATE: March 11, 2024

Overview:

The goal of the committee during the Spring 2024 semester is work on resources to share, whether through D2L, other social media pages, and other mechanisms, that faculty and staff can easily read and share with students. The committee is working on the best way to do this, without duplicating resources.

Other:

Please see below for information on BNC workshops. Please share with your constituents to share with your students!

The Basic Needs Coalition presents "Co-Designing Resources for Students", a workshop in which students can provide feedback and help create better ways to connect fellow students with the resources they need to thrive (e.g., food, housing, clothing, finances). Workshops will be held on Wednesday 3/13 10 a.m. and Monday 3/18 12 p.m. in the Main Library Room B254. Food will be provided. Click [here](#) to RSVP!
