

Constitution & Bylaws Committee summary for Faculty Senate Agenda (12/2/24):

The Constitution and Bylaws Committee met on Oct. 28, 2024 and November, 18, 2024. We continue to review previous work of the committee under the direction of the previous Secretary of the Faculty. There remain questions about changes to the bylaws and whether proper procedures were followed. The committee has created a timeline of the previous bylaw changes and will present them to shared governance leaders in the Spring. Before recommending any additional changes to the bylaws or constitution, the Committee will ensure that we are working with the most correct and accurate version of the bylaws.
