# Disestablishment Details

**Justification for Disestablishment**  
The graduate MFA in theatre stopped taking students in 2023. We don't have the staffing to keep teaching the minor and there aren't students enrolled in this minor.

**Teach Out Plan**

Detailed plan how you will handle current students, if any

There are no current students. Students can have a thematic minor and use theatre courses as many theatre graduate courses are still active in the catalogue.
