

REPORT TO FACULTY SENATE

FROM: Student Affairs Policy Committee

DATE: February 25, 2026

Overview:

The committee met with Kris Wong Davis from Enrollment Management on February 25, 2026 to discuss the centralized, one stop shop model being integrated into the university. Students currently can go to the second floor of the administration building for services, with the goal in the next two years to have a physical one stop shop for students in the Student Union.

Enrollment Management includes:

- Admission
- Office of Scholarships and FA
- Registrar's Office
- New Student Transitions and Customer Service
 - New Start
- Enrollment Management marketing, communications and events
- Enrollment management strategic initiatives (Slate)
- Data Analytics

The committee plans to look into international students issues in March.
