-

# Disestablishment Details

**Justification for Disestablishment**

The curriculum for the BAS in Applied Computing was included in the new BS in Cyber Operations program (approved for fall 2026).

**Teach Out Plan**

Detailed plan how you will handle current students, if any

Since the curriculum in the BAS in Applied Computing has been included in the new program for the BS in Cyber Operations (approved for fall 2026), students will have the option of staying in the BAS in Applied Computing program in the teach out, or they can work with an Academic Advisor on the possibility of updating their major. All current students will be taught out using the existing courses/curriculum and relevant substitutions.
