

Graduate Syllabus policy

Purpose: Enhance transparency for students regarding expectations and grading criteria

Syllabus

- Standardizes the components required and ensures alignment with course catalog.
- Expanded clarity on how students will be evaluated.
- Communicates the Graduate College policy on TAs for graduate courses.

Individualized Learning Contract

- For courses where the standard syllabus is not the best fit (e.g. >700 level)
- Provides a framework of expectations and learning outcomes
- "Individualized Learning Contract" language aligns with the previously approved undergraduate syllabus policy.
