

UAGC Faculty Senate Resolution by Leila Hudson

WHEREAS the affiliation and integration of University of Arizona Global Campus (formerly Ashford University) and Zovio, Inc with the University of Arizona has bypassed and continues to bypass statutorily mandated shared governance;

WHEREAS the San Diego Superior Court found that Ashford University and Zovio violated the law by giving students false or misleading information about career outcomes, cost and financial aid, pace of degree programs, and transfer credits, in order to persuade them to enroll at Ashford and ordered Ashford University and Zovio to pay more than \$22 million in penalties;

WHEREAS the University of Arizona Global Campus has lost its approval to receive tuition payments like the GI Bill from the Department of Veterans Affairs;

WHEREAS investigations and negative press are having lasting effects on the public opinion of UAGC and the University of Arizona;

We, the Faculty Senate of the University of Arizona herewith **disagree** with the ongoing integration efforts of UAGC as an operating branch of the University of Arizona

disavow the consequences which harm the University of Arizona's academic mission, operations, reputation, and financial integrity

call for the discharge of student loan debt incurred at UAGC^{11/11/17}_{SEP}^{11/11/17}_{SEP} and **strongly urge** an orderly unwinding consistent with Arizona statute of the UAGC affiliation with the purpose of divorcing the University of Arizona and UA Foundation entirely from UAGC and Zovio.
