8. INFORMATION ITEM: PROPOSAL FOR A UNIVERSITY AWARDS COMMITTEE – ASSOCIATE FOR RESEARCH DEVELOPMENT, CAROL BRODIE, AND DIRECTOR OF RESEARCH DEVELOPMENT SERVICES, KIM PATTEN

Presenters introduced themselves and explained that the purpose of the new University-wide committee is to promote the nomination of faculty for high level national and international awards and prizes, such as National Academy memberships. The presenters feel this will help with faculty morale and retention. The new committee would make recommendations for external awards, such as the National Science Foundation’s Vannevar Bush and Alan T. Waterman awards. Support for the committee would be maintained by the Research Development Office. Appointments to the committee would be made by the Chair of the Faculty. Senators had concerns with appointed members rather than elected members and feel that the Deans would be a better choice to nominate potential recipients.

11. INFORMATION ITEM: OFFICE OF DIVERSITY AND INCLUSIVE EXCELLENCE (ODIEX) – ASSISTANT VICE PROVOST FOR INCLUSION AND MULTICULTURAL ENGAGEMENT, TERESA GRAHAM BRETT, AND ASSISTANT VICE PROVOST FOR HISPANIC SERVING INSTITUTION INITIATIVES, MARLA FRANCO

Presenters introduced themselves. Brett said her main goals are to reach out to the inclusive excellence social justice committees and reconnect to find out what objectives they are working toward. Roles for inclusive excellence in colleges, departments and for the University are in the process of being defined, and the Vice Provost for Faculty Affairs will ensure that the work that ODIEX engages in continues. Once the role of the ODIEX is more intricately defined, staffing will take place. Vice Provost for Inclusive Excellence Rebecca Tsosie will be speaking at Senate in the spring semester and will be serving in an advisory capacity to President Robbins. Franco said that the UA has been designated as a Hispanic Serving Institution (HSI) since April 2018. Franco has spoken to faculty about how the HSI designation pertains to research, efforts in the classroom, connections to the community, as well as support services and resources for students. The UA has a unique position within the HSI landscape on a national level. With over 500 HSI’s across the nation, forty-four percent are two-year community colleges, and the UA is one of only three public institutions that carry the R1. AAU designation. UC Irvine and UC Santa Barbara are the other two peer institutions carrying the HSI status. Franco is the second person in the nation to hold the title of Assistant Vice Provost for HSI Initiatives. Institutional investments are being made by the Provost, and through a call for proposals, both faculty and staff have been selected to support the HSI mission at the UA.

Brewer advised Senators that the purpose of the Task Force would be to review progress made in areas of policy, practice, and climate related to career track faculty at the campus, college, and unit levels and identify ongoing gaps and consider potential solutions through policy or practice. Brewer will send out a call for interest and appoint the Task Force members. Brewer asked for a [Motion 2018/19-8], motion was seconded and passed and is detailed at the end of these minutes.
