Sources of Funding

- **SSFAB: $79,000**- Used to pay coordinator, and student employees (6). Some money for marketing and general operations. Cannot use any of this money on food.
- **ASUA: $2,000**- Used to increase distribution staff (2) to 10 hours a week
- **Presidential Funding: $131,000**: this is the amount after the rooftop garden was taken off. Used to fund the GA (35,000) and then the remaining can be used for food.
  - This leaves a budget of about $3,000 per week.
  - **We are currently spending $3,600 per week** and the difference is coming out of our foundation and gift accounts.
